16. [REDACTED] LIAISON Called Chris Aldridge, in the office of Senator Birch Bayh (D., Ind.), and informed him of the referral from Senator Bayh's office of an inquiry from M. B. Schnapper of the Public Affairs Press. I told Aldridge we could not comply with the request because it involved a matter very much in issue in the Frank Snapp case. Aldridge said we should respond directly to Schnapper and we should send his office a copy of the response and I agreed to do this.

17. [REDACTED] LIAISON Received a call from Mike Epstein, Senate Select Committee on Intelligence staff, who said that the wife of former Agency employee [REDACTED] was also an Agency employee 25X1 and asked me to find out the dates of her employment, whether she had anything to do with [REDACTED] as an employee, did we have any contact with her after she left, and if so whether any contacts concerned [REDACTED] 25X1 or [REDACTED]. Epstein also indicated that Bill Miller, Committee Staff Director, wanted to review the contact reports with [REDACTED] 25X1 and asked me 25X1 to bring them to Miller tomorrow.

18. [REDACTED] LIAISON Called Dan Coulson, Legislative Affairs, FBI, and asked him if additional agents were being added to the CI Staff of the Bureau. I explained the reason for my request (in connection with a paper being sent to the Senate Select Committee on Intelligence on DDO reductions). Coulson informed me additional agents were being given counterintelligence work. 25X1

20. [REDACTED] FOIA/LIAISON Following up my previous call to Mrs. Dorothy Councill, personal secretary to Representative Sam B. Hall (D., Tex.), I called again to see whether the Congressman had made any decision regarding the correspondence discussed previously. (See Journal item 28 March 1978.) Mrs. Councill said that Congressman Hall had told her to do nothing about my call, and she herself was uncertain what he meant by this. She will mention my second call and get back to me, hopefully.
